The clues

1. Lola is in the leftmost column.
2. Dante's row is higher than Sal's.

8. Sal is in the cloakroom.

The rules

1. One person per row and per column.
2. Every clue is true. "Next to" means sharing a side, in the same room: a wall breaks contact.
3. You can stand on a chair, armchair, rug, stool, bench or bed; any other furniture blocks its square.
4. The killer is the only suspect in the victim's room.
